## JOY LIVES HERE, AT THE DARLING HOME FOR KIDS

The Darling Home for Kids is in our 20th year of service. Over the past two decades, we had the privilege of serving hundreds of families from a variety of backgrounds and across the continuum of medical fragility. In our Respite Program, we have created moments of joy, comfort, and laughter, providing children and families fond memories of childhood. Many of these children have been with us for years, and we have proudly watched them grow and thrive. Within our residential program, 24 children lived with us full-time, our Home becoming their home. We've celebrated birthdays, milestones, back-to-school nerves and excitement, and even graduations together. We've held hands with families as they said goodbye to their children in hospice care. Providing families a sense of calm and the opportunity to just be mom, dad, brother or sister and **experience peace together as a family.**

### RESPIRE CARE

In our Respite Program, we provide care in a safe home-like environment with highly qualified staff, giving parents a much-needed break. While at the Home, children are given the opportunity to play and thrive in an environment that is specifically designed with their unique needs in mind.

### RESIDENTIAL CARE

Whether a child stays with us for a month or for years, we provide a warm space and an enriching environment for kids who, because of their significant medical needs, can't receive care at home. Loved ones can visit their children and participate in meetings and appointments to help guide their care.

### HOSPICE PALLIATIVE CARE

Families in our Hospice Palliative program experience a seamless continuum of compassionate care, from respite to end-of-life, focusing on making every moment count. Whether it's providing families a much-needed break, or guiding them through end-of-life and legacy building, we are dedicated to delivering the highest quality care at every stage of a child's journey.

THERE IS NO US WITHOUT YOU

## THE DARLING HOME FOR KIDS CLASSIC

In its 28th year, the DHK Classic is our longest running signature event, raising over **\$2.6 million**, helping to build our Home and provide the core programs and services we offer.

Starting with a light breakfast, golfers will spend the day on course in support of medically complex children and their families. On-course activities, sampling opportunities and contests to win incredible prizes, will provide an engaging round at Royal Ontario Golf Club. Golfers will gather together for a 19th Hole Cocktail Reception, followed by a late lunch that includes an opportunity to bid on some incredible auction packages.

As the population of medically complex children rises in Ontario year over year, so does the demand for our services. We rely on the generosity of our community, and friends like you, to help keep our doors open for families who need us. **Thank You!**
